Price List of

NOVELTY
DAFFODILS

THIS year we are not issuing a new descriptive illustrated catalogue as last year's edition will serve as well for this season in most respects. A few changes in prices have been made which necessitate this new price list which goes out to our regular mailing list. New requests for our catalogue will bring both this list and the complete catalogue. Those already on our mailing list who may have lost their copy or not received the 1943 catalogue are invited to ask for a copy.

We extend our thanks for the orders and kind letters received in the past. As we anticipate a heavy demand for bulbs this year, we advise early ordering. Of some varieties we have much larger stocks this year than in the past, but very limited quantities are available of other varieties. In the case of some of the new high priced novelties, we do not wish to dispose of more than a bulb or two this season.

NOTE: PLEASE ORDER BEFORE SEPT. 1ST IF POSSIBLE; ALSO, ORDER ONLY FROM THIS PRICE LIST; NOT FROM 1943 CATALOGUE. Do not order bulbs from catalogue that are not listed in this price list. A few varieties were sold out so completely last year that we have none to offer this season. See page 5 of catalogue for terms of sale. We again urge that all orders be sent before September first. We like to replant early and while bulbs of most varieties may be available until about October 1st, earlier orders are much more apt to be filled completely and with the choice of the crop.

Our Introductions

CAMPFIRE	\$6.00 each
CLACKMAR	4.00 each
PEARL HARBOR	6.00 each
SHADEEN	4.00 each

One bulb of each of these for \$17.50.

We are listing a few new ones this year such as Bahram, Broughshane, Evansford, Lily Ronalds, etc., of which we do not care to sell more than a bulb of each. As this is written, most of these have not yet bloomed in our gardens and no descriptions are given here.
